嘉之助蒸溜所について / About Kanosuke Distillery

Located along the picturesque Fukiagehama Beach in Kagoshima, Japan, Kanosuke Distillery combines tradition with innovation to craft exceptional single malt whiskies.

Established in 2017 and backed by over a century of shochu-making expertise, the distillery is renowned for its use of three distinct pot stills and unique coastal climate.

This approach results in complex and harmonious flavors, enhanced by the influence of the sea and re-charred ex-shochu casks, making Kanosuke Whisky a true representation of Japanese craftsmanship.
